Privately Owned Electronic Devices

2016-2017

Permission Form

I authorize \_\_\_\_\_ to bring his/her Privately Owned Electronic Device to school with the understanding that it is to be used as a tool for instruction ONLY as a part of the Chesapeake Public Schools Bring Your Own Device (BYOD) educational initiative. I realize that in giving permission for my child to participate in this initiative, he/she will comply with Chesapeake School Board Policies and Regulations 9-20.2 and 6-36 on Privately Owned Electronic Devices and Acceptable Telecommunications and Internet Use for Students.

My signature below acknowledges that I understand the intent of the BYOD initiative. I also acknowledge that I have received and read the Chesapeake School Board Policies and Regulations 9-20.2 and 6-36 related to Privately Owned Electronic Devices and Acceptable Telecommunications and Internet Use for Students. On behalf of myself and my child, I agree that Chesapeake Public Schools (CPS) is not responsible for any loss, theft, or damage associated with my child's Privately Owned Electronic Device, nor is the division responsible for any costs incurred relating to the downloading of content to the device or access to any content providers through the device. I further acknowledge that bringing a Privately Owned Electronic Device is a privilege designed for educational purposes only, and that any violation of the electronic device policy may result in my child losing the privilege to bring his/her device to school, for a length of time commensurate with the nature of the violation and other school discipline.

I also recognize that it is impossible for CPS staff to monitor all activity on personal devices; therefore, I (parent and/or guardian) will not hold CPS, the Chesapeake School Board, its members, or any individuals employed or retained by CPS responsible for damages related to my child's use of the Privately Owned Electronic Device or for content viewed by any student on the Privately Owned Electronic Device, including via a personal connection (3G, Sprint, etc.).
