Dear Parent or Guardian,

We anticipate the H1N1 flu virus will continue to impact schools across the nation, including our school division. Chesapeake Public Schools is working to minimize this impact, and the potential outbreaks this virus might have on our schools and community. Please find attached an important letter from Dr. Nancy M. Welch, Director of the Chesapeake Health Department, regarding helpful information to reduce the possible impacts of the H1N1 flu virus.

We encourage you to read the attached letter in efforts to protect your child in the event of an outbreak. Please visit our website at www.cpschools.com for additional information and helpful website links.

Sincerely,

W. Randolph Nichols
Superintendent
