

Dear Parents,

Chesapeake Public Schools is excited to launch a new service for parents that will enhance communication by delivering important information, such as delayed school openings or emergency closings due to weather, via SMS text messaging. This service is intended to enhance our existing means of communication and will not replace any existing form of communication.

To participate in the new service you must register your mobile phone number. Registration is simple and only takes a few seconds to complete.

**To Register:** Text the word **subscribe, optin, or yes to 67587**  
Successful subscribers will receive a confirmation message on their mobile phone.

**To Unregister:** Text **STOP to 67587**

**For Help:** Text **HELP to 67587**

While Chesapeake Public Schools does not charge a fee for this service, standard text and data charges may apply through your service provider. CPS is not responsible for any charges from a person's service provider that may result from the provision of this service. Please check with your individual carrier regarding any charges which may apply.

In addition to registering your mobile phone as indicated above, please be sure that Chesapeake Public Schools has your wireless number in our student information database.

If you have any questions, please feel free to contact your child's school.
