

# Great Bridge Middle School

## School Improvement Site Plan 2009—2014

### Mission Statement

The mission of Great Bridge Middle School is to prepare students to meet academic, social and community responsibilities by developing independent self-motivated learners with innovative instruction that promotes high academic standards in a safe environment that instills pride and respect for staff, students, and community.

### Objectives

- Our students will demonstrate continuous academic growth through incremental improvement.
- Our students will demonstrate respect toward themselves, others, their school, and the community.

### Tactics

- We will ensure academic success for all students.
- We will provide a safe and respectful school environment to all who enter.
- We will utilize parent involvement effectively.
