

“Sander Says”

June 2017

Dear GFE Families,

I would like to take a moment to thank the entire GFE staff, students and parents for all of the wonderful support that you have given Ms. Alexander and I throughout the years at Grassfield Elementary. It has been incredible. We have LOVED working with your children. They grow up quickly and before you know it they are walking across the stage at their high school graduations. Please know that Ms. Alexander and I are very proud of the GFE staff. They work extremely hard and put in a lot of long hours. **It does pay off.** The academic success that we have accomplished is second to none. Grassfield Elementary is a school of academic excellence. The new administrative team that is arriving next year will do an outstanding job. Please give them your full support. I know that they are looking forward to their new journey. Again, it has been a true honor. We wish you and your family all of the very best and a bright and prosperous future!

With civility and great respect,

Mr. Sander and Ms. Alexander
