

CHESAPEAKE PUBLIC SCHOOLS
GUIDE TO HIGH SCHOOL SUMMER PROGRAMS 2017

GENERAL INFORMATION

High school summer school classes will be offered at **Indian River High School**. Students must be enrolled in grades 9-12 during the 2016-2017 school year in order to attend. The high school summer program is designed to offer opportunities for ninth through twelfth grade students to repeat courses not successfully completed during the regular school year and afford students opportunities to remain on track with their graduation cohort. **All classes will be held 8:00 a.m. – 1:00 p.m. Monday through Thursday.** Schools will be closed on Fridays and on Tuesday, July 4, 2017. Graduation for summer school will be held Tuesday, August 15, 2017, at 7:00 p.m. in the Indian River High School Auditorium. **All classes are dependent on sufficient enrollment and the availability of qualified and appropriately endorsed instructional staff.**

REGISTRATION

Chesapeake Public Schools (CPS Students)

Registration forms will be available in the school counseling office of each high school beginning in April. Students should contact their school counselor for help in the registration process. Early registration is strongly encouraged. CPS students may register and pay for summer school courses beginning **April 24, 2017**, at the school he/she regularly attends. Registration and payment should be completed by Tuesday, June 13, 2017, at each student's home school. Registration will also be conducted beginning on Tuesday, June 20, 2017, at Indian River High School. Prior to enrolling at Indian River High School, students must contact the counseling department at their home school to request a summer school registration form. The completed form must be approved and signed by a counselor from the home school.

Chesapeake residents who are not currently enrolled in a Chesapeake high school may register and pay for summer school courses beginning **Tuesday, June 20, 2017**, at Indian River High School. A permission letter indicating the course desired is required from the sending school's administration. Non-CPS students must meet the same enrollment requirements (enrolled in grades 9-12 during the 2016-2017 school year) as CPS students. Proof of residency is also required (water, gas, or electric bill).

Non-Chesapeake Residents

Non-Chesapeake residents may register and pay **ONLY** on **Thursday, June 22, 2017, between 9:00 a.m. and 12:00 noon** at Indian River High School on a space-available basis. A permission letter indicating the desired course is required from the sending school's administration. Non-Chesapeake students must meet the same enrollment requirements (enrolled in grades 9-12 during the 2016-2017 school year) as CPS students. Virginia Public School students should bring the appropriate form with their student identification number (STI) in order to take an SOL credit-bearing course.

ATTENDANCE

Regular student attendance is expected during summer school sessions. Attendance and tardy regulations will apply to summer school students. As during the regular school year, schools are governed by school board policy that requires the student to attend the current session for a minimum number of days. If the student fails to meet these requirements, he or she may not receive a passing grade for that session. For high school class sessions, this requirement means that **a student cannot miss more than three days** for a credit-bearing class. Students will not be excused to leave summer school early for vacation. Requests to take final exams early will be denied. In the event a student is dropped for poor attendance, no refund of tuition will be made.

STUDENT CONDUCT

Appropriate student conduct is vital to ensuring a safe, orderly learning environment. Student conduct and policy guidelines for the 2016-2017 school year will remain in effect during all summer school sessions. Students who present discipline problems while in transit to or from school, at bus stops, or while on school grounds are subject to disciplinary action. Students dismissed for disciplinary reasons will not be entitled to any refund.

TUITION

Tuition is charged for all credit-bearing courses. Payment in full is due at the time of registration. Checks or money orders should be made payable to the student's home school if paying on or before June 13, 2017. If paying after June 13, 2017, checks or money orders should be made payable to Indian River High School. Online School Payments will also be accepted for CPS students. There will be no refunds issued after June 28, 2017. An original receipt is required to process a refund. Tuition for CPS students and Chesapeake residents is \$300. Tuition for non-Chesapeake residents is \$600. Reduced rates are available for CPS students and Chesapeake residents who have been determined eligible for free/reduced meals during the regular school year.

CPS Students and Chesapeake residents:

Tuition Level	Credit-Bearing Class
Level I (full cost meals)	\$300.00
Level II (reduced cost meals)	\$150.00
Level III (free meals)	\$100.00

All fees are subject to change.

TRANSPORTATION

Bus transportation will be provided for summer school students. Transportation will be limited and will likely be a designated neighborhood pick-up point. Specific bus schedules for all schools can be viewed on the Summer School section of Chesapeake Public Schools website beginning one week prior to summer school.
