***8 Volunteers were present**

***Over all 2017 After Prom Experiences**

- All students abided by the rules and were safe inside and outside of the building.
- We had great prizes for students.
- We did not receive any complaints about the events of the evening.
- Next year, After Prom may want to rethink the placement of the Photo Booth to provided a better flow for students lining up to take pictures.
- **Thank you Mr. Jopyy for making sure that all students and volunteers were out of the bowling alley and safe at the end of the night!**

***Finance**

- The budget is not balanced as of yet. Our total is recorded at \$2,411.18 and the Bookkeeper's balance is \$ 1,939.18. A meeting will be set up to go over the two balances and double check all money.
- \$280.50 will be used to pay for the two Security Officers
- We will pass along about \$1, 500.00 for next year's start up budget.
- Once the budget is confirmed, the remaining amount will be passed on to the senior class to be used towards the class cook out, along with 2 gift cards valued at a total of \$70.00. One is \$20.00 for Food Lion and the other is \$50.00 for Walmart.

*** Fundraising**

- All fundraisers for this year have been closed out.

***Prizes**

- It was suggested to slow down the calling out of tickets for prizes. It went a little too fast and suggestions were made to shake the tickets more before selecting.
- Another suggestion was to have a deadline of when students place tickets in prize bags to alleviate last minute tickets and higher chance of getting prize.
- The last suggestion was to choose a different color for tickets every year.

***Thank You Notes**

- It will take a few people to come together to send out Thank you notes.
