

Norfolk Highlands Primary School

The purpose of the PTA is to encourage and facilitate opportunities for parents and families to be involved with their students' school education. We invite you to join with us through membership, extracurricular activities, and volunteer opportunities throughout the year.

Please help support NHP PTA by clipping Box Tops for Education. You can also scan your Farm Fresh 1234 key card and register your Target RED card to have a portion of your purchases go to support NHP.

We are a proud Watch D.O.G.S. school! We want all fathers, grandfathers, uncles and other father figures to provide a positive male presence in our school. Watch D.O.G.S. is a program sponsored by the National Center for Fathering that encourages males to demonstrate the importance of education and to provide an extra set of eyes and ears to enhance school security and prevent bullying. If you are interested, please be on the lookout for our information and training sessions coming in September and October.
