

Chesapeake Public Schools
 Hugo A. Owens Middle School
 Study Hall Program
 2016-2017

All Chesapeake Middle Schools will be conducting their study hall program this year. With the importance of academics in our schools, our goal is to ensure success with all of our students. Here at Hugo A. Owens, we take pride in our students and their academics.

Your child is invited to join us for our study hall program on Tuesdays and Wednesdays starting October 4, 2016 – May 10, 2017, from 3:45-4:30 p.m. The overall goal of our program is to provide assistance with homework and provide review time for tests or quizzes. We are committed to ensure that each student in our school will have every opportunity for success this year. Teachers will be available to provide assistance with school work; however, this is not a one-on-one or small group tutoring program.

Students should report directly to the cafeteria after dismissal. Upon arrival, the students will be separated into groups according to their specific subject area. All students should come prepared with specific questions in areas of need or assignments to complete. Students are not allowed to go into the teachers' lounge or down the athletic hallways to the vending machines, so please bring a snack, if necessary. **Please be aware that if a student consistently arrives unprepared or is a disruptive force, he or she will not be allowed to continue to participate in study hall.**

Bus transportation will be provided. Please note that our study hall program uses only two buses for student transport, therefore, your child may arrive home as late as 5:30 pm. If you elect to transport your child, please make sure you arrive by 4:30 p.m. We will be releasing students from the front entrance of the building. **Your child will be placed on the bus if there is no other transportation available at 4:35.**

We look forward to an exciting year working with you and your child. If you have any questions regarding the study hall program, please contact Monica Ferebee, Academic Advisor, or Mr. Dunbar, Assistant Principal at (757) 558-5382.
