

Dear Parents/Guardians,

On behalf of the PTSA, I would like to welcome you to the 2009-2010 school year! The PTSA continues to be committed to the parents and students of Oscar Smith High School (OSHS). We are in the community and in the school working to improve the lives of your student.

We are seeking your membership and volunteer hours to make the difference that matters. Your PTSA membership is necessary if we want to support and sponsor activities and programs that keep your student involved. The city of Chesapeake enjoys a good representation of the PTSA throughout many of its schools. This year, our school can be one of the schools in the upper ranks of membership and volunteer hours. But, to do this, we all have to commit. Our mission this year includes a focus on community involvement, fundraising, and a resource link designed to assist parents and students seeking academic advice and scholarship information.

Your student can look forward to more support from the PTSA in their local community, more social activities that provide them with a safe and secure atmosphere to enjoy their peers, and life and volunteer opportunities that prepare them for the world that awaits them once they have completed their school career at OSHS.

Parents/Guardians, we need your help. I know we can count on you to join us in making 2009-2010 a successful year for our school, our students, and the PTSA. If you are not a member of the PTSA and would like to join, please stop by the main office and pick up a membership envelope. You can leave the envelope in the PTSA mailbox along with any messages you may have for me. You can also reach me at ldtarobinson@att.net. I look forward to meeting you during our freshman orientation and open house and throughout the year at our scheduled events and meetings.

Thank you for all you do!

Denise Robinson
