

Pre-IB French 2 Summer Assignment 2008

Bonjour! Congratulations on the completion of another year of school. I look forward to meeting all of you in the fall. While I hope your summer is great, I still have an assignment for you. I hope this will keep your French skills fresh.

Your assignment consists of two parts. First, complete the packet of grammar and cultural review you will receive. This should consist of exercises similar to the ones you did in French 1. Second, write a letter introducing yourself. This should be in French and written to demonstrate the best of your abilities. It can include a variety of things such as likes and dislikes, friends and family, sports, music, films, books. . . anything that would help me to get to know you better.

These assignments are due on the first day of class in September. They will count as two test grades during the first grading period of French class.

Have a fun and safe summer and I will see you soon!
