Bonjour! I know you are looking forward to summer vacation. I am, too. I hate to rain on your parade, but it is time for your summer assignments, too!

This summer, you will be reading "*Les Trois Coupables*," a suspense story. You will read the **entire book** and complete all of the questions at the end of each chapter. All answers must be in complete sentences and, before you ask, YES, ALL ANSWERS MUST BE IN **FRENCH!** Be mindful of your spelling and grammar.

You must also make a list of any new vocabulary. List the word in French, the part of speech and the translation of the word. This includes any words you find in the back of the book.

This assignment will count as a test grade and will serve as your first grade of the first term. Do your best work. These will be graded on merit and completion. A sloppy, last-minute job will be easy to spot because of the quality. Be consistent and diligent. I know the caliber of work that I can expect from you.

This assignment is due on the first day of class.

Materials needed for this assignment:

"*Les Trois Coupables*" text (please do not write in the text)
Pronged folder – contains all answers to chapter questions
