

Parking at OSH

Team buses should enter at the western entrance, before the school's stoplight if heading east on Route 190. Team buses will park inside the stadium.

All other traffic should enter at the school's stoplight (Tiger Drive). Please drive to the back of the school to the parking lot by the football field. When that fills, shuttle buses will run from a parking area in River Walk (an adjacent development). There should be no need to pay for parking.
