

I am pleased to announce that Western Branch High School is planning a “Renovation Celebration “ for Saturday, October 29th, from 10 a.m. to 2 p.m. The purpose of the event is to showcase the improvements made to the school over the last three years. As you know, the City of Chesapeake and The Chesapeake School Board spent approximately 43 million dollars renovating and updating WBHS. A new two-story wing, Smartboards, HVAC upgrades, new tile, and an overall renovation of the auditorium and cafeteria with new sound and lighting systems are among the many improvements that have transformed WBHS into a showcase educational facility.

The general public, parents, alumni, and current students are invited for building tours, music and drama performances, and demonstrations by the various departments such as culinary arts, technology, and business. Please feel free to advertise this event in any newsletters, e-mails or communications you might have over the next few weeks with your civic league members. I have also attached a flyer for your convenience.

As always, thanks for your support of Western Branch High School. Please call the school at 638-7900 if we can assist your civic league in any way.

Yours in education,

John R. Sykes III

Principal
