

Your shopping can earn WBI money:

Parents and staff,

The usual ways to earn money from Boxtops and Soup Labels are great, but we have several more ways for you to earn WBI even more money. Please read below and go to our website for information and bonus offers.

1. **BoxTops** - Go to this <http://www.boxtops4education.com/bonusapp> and download the bonus app to double your earnings by scanning your receipt. Also check here for periodic sweepstakes: <http://www.boxtops4education.com/earn/sweepstakes>. Make sure you cut out the coupons neatly and double check the expiration date.

2. **Soup Labels** - this program will end this year, so please turn in any labels with the Labels for Education logo as soon as possible. You can also enter a **sweepstakes** to earn us \$10,000. <http://www.grandstandforschools.com/>

3. **Farm Fresh:** From 9/6/15 - 5/31/17, you can scan our school **key tag** when making purchases to help us earn points for free equipment. More Key tags are available at WBI. Read about the program at <http://www.farmfresh1234.com/> and click on **INFORMATION**.

4. **Harris Teeter** has a program that will link your VIC card to our school every year from August 1 - June 1. **You must relink each year.** Go to their website and register an account under your VIC # or phone number and link your card to our school. Every time you use your VIC card and you purchase Harris Teeter products, a percentage will go back to WBI. Harris Teeter will send WBI a check three times a year if there is a minimum of \$250 in December and March and at least \$25 in June. Link now at this address: <http://www.harristeeter.com/community/> Relink your VIC card on August 1 every year. **IMPORTANT:** Your VIC card is unlinked every June 1. **Please relink with school code - 8596.**

5. **Kroger** has a similar program to link you Kroger card to WBI. Go to this link and register your Plus Card: <https://www.kroger.com/account/enrollCommunityRewardsNow> Now your purchases will earn money for WBI. **\*\*\* You must do this each year! \*\*\***

6. If you go to **Boxtops' marketplace website**, you will see different companies that sell online. Some companies will give more points (eBoxTops) than others for every dollar you spend online. Create a personal Boxtop account, link it to WBI, and then follow the shopping links to earn WBI more cash. <http://www.boxtops4education.com/earn/marketplace/>

Thank you for all your support and if your place of business would like to recycle for us **toner cartridges, ink jet cartridges, and old cell phones**, I can provide a free shipping label to them. All they do is fill it, seal it, and have UPS come and pick it up. The profits come right to WBI.

Thanks,  
Scott Greiling
