

# ELEMENTARY ENRICHMENT SUMMER SCHOOL PROGRAM 2017

Monday, July 17, 2017 – Thursday, July 27, 2017  
8:00 a.m. – 12:00 p.m. Monday through Thursday

## Summer School Locations:

Butts Road Intermediate, Crestwood Intermediate, Thurgood Marshall Elementary, Treakle Elementary, Truitt Intermediate, and Southwestern Elementary

The elementary enrichment program is designed for students enrolled in first through fifth grade during the 2016-2017 school year, and who are working on or above grade level. The program targets students who demonstrate high intellectual or achievement capabilities. Students will be immersed in engaging and challenging activities to stimulate academic, artistic, and creative abilities. Grade levels may be combined based on enrollment. CPS students may enroll at their home school before April 28, 2017. Private school and home-schooled students who are Chesapeake residents may enroll during the week of April 24-28, 2017, at the summer school site they are zoned to attend.

### **Exploring Value in Everyday Life (Grade 1)**

Students will explore the concept of value through a cross-curricular model that incorporates art, music, geometry, self-respect, and cultural studies. Students will be guided by teachers who are trained to differentiate integrated curriculum. Each concept-based curriculum facilitates understanding and knowledge beyond the basic facts.

### **Relationships: Captivating Connections (Grade 2)**

Students will study literature, fractions and ratios, and the dynamics of the ecosystem through the conceptual lens of relationships. Students will be guided by teachers who are trained to differentiate integrated curriculum. Each concept-based curriculum facilitates understanding and knowledge beyond the basic facts.

### **Talking Mosaic: An Exploration of World Languages (Grades 3-5)**

Students will be introduced to world languages such as French, Spanish, German and Latin. Students will experience the excitement of various cultures as they explore languages through stories, games, activities, crafts, and music. Students will learn basic foreign language vocabulary as they build awareness of our place in a global community.

### **Music Masterminds (Grades 3-5)**

Students in this class will explore musical concepts while developing skills in singing, playing instruments, listening, and performing. Students will be exposed to a variety of musical genres as they engage in stimulating musical activities.

### **Do You See What I See? (Grades 3-5)**

Students will participate in critical thinking, collaboration, and will communicate while analyzing and interpreting visual art. They will also participate in research and problem solving activities that will develop their creativity as they construct masterpieces using various materials.

**Cost: \$150 Per Student\***

Check/Money Order  
(Payable to Home School)  
or CPS Online School Payment

**Deadline for Payment and Enrollment:**

**April 28, 2017**

Enrollment is limited. All classes are dependent on sufficient enrollment and the availability of qualified and appropriately endorsed instructional staff.

*\*Reduced rates of \$75.00 or \$100.00 are available for CPS students who have been determined eligible for free/reduced meals during the regular school year.*
